FOR IMMEDIATE RELEASE

June is “Adopt-a-Cat Month”

June is national “Adopt a Cat Month,” originated many years ago by the American Humane Association. It is a month dedicated to recognizing the thousands of homeless cats and kittens that end up at animal shelters across the country.

Suncoast Humane Society is certainly experiencing the spring time increase of felines being brought to their shelter. As an example, the society presently has 38 cats and 24 young kittens available for adoption. In addition, there are 25 kittens awaiting spay/neuter surgery and will soon be featured for adoption. They also have just under 30 in foster homes being made ready for their turn at a permanent home.

During the month of June your Suncoast Humane Society is offering special adoption fees for cats and kittens. Instead of the normal fee of $85 plus $18 rabies vaccine fee, adult cats will be reduced to $10 (plus the $18 rabies vaccine), kittens can be adopted for $25 (plus $18 rabies vaccine).

If you are looking to add a furry four legged member to your family, please consider your local humane society or animal shelter.

There are many advantages to adopting a shelter cat. Adoptable cats at Suncoast Humane Society are already spayed/neutered, up to date on vaccinations, and microchipped. They are truly ready to go home! A shelter cat’s adoption fee is much lower than the cost of spay/neuter, vaccinations, and microchipping of a cat. Besides the material conveniences of adopting a shelter cat, you can also feel good about giving a home to a homeless pet when you adopt one!
Suncoast Humane Society has been serving animals and people since 1971. Founded as Englewood Animal Aid Society, the organization’s services and programs were soon challenged to meet the demands placed on them by the pet over-population crises.

Expansions to their facility in Englewood during the 1980s and 1990s helped the Society to more effectively provide for a growing service area. To reflect the changes, the organization became Suncoast Humane Society. Over time our service area expanded and is now Charlotte County, Sarasota County, the Boca Grande portion of Lee County and beyond.
