FOR IMMEDIATE RELEASE

Gordo Goes to Vermont

When Gordo was surrendered to your Suncoast Humane Society he was quite a mess. Thickly matted fur, dirty, in need of dental work, and in need of love. This eight year old English Shepherd required nearly 3 hours of shaving to get the matted fur and dirt removed. Underneath all of that was an adorable and friendly, albeit large, dog.

After Gordo was groomed, had his shots, had his dental work scheduled, he was put up for adoption. It wasn’t long before he started to receive attention. One of those inquiries came from Vermont. The adopters had seen his photo online and felt they needed to find out more. After a few exchanges between our staff and the family, they agreed to adopt Gordo. He happily departed Suncoast Humane Society on Thursday morning and will meet his new family in a few short days.

In addition to adopting and transporting Gordo to his new home, his family will also be tending to his medical needs and expenses. What a gift for this senior dog to get to spend his senior years in the loving care of new adopters!

Suncoast Humane Society has been serving animals and people since 1971. Founded as Englewood Animal Aid Society, the organization’s services and programs were soon challenged to meet the demands placed on them by the pet over-population crises.

Expansions to their facility in Englewood during the 1980s and 1990s helped the Society to more effectively provide for a growing service area. To reflect the changes, the organization became Suncoast Humane Society. Today their service area includes Charlotte County, most of Sarasota County, and the Boca Grande portion of Lee County, a total of over 450 square miles.
