Open Your Arms to a New Friend during “Adopt-a-Shelter-Dog Month” at Suncoast Humane Society

What better way to celebrate “Adopt-a-Shelter-Dog” Month with Suncoast Humane Society than to bring home a new best friend that has been waiting, just for you? Rescuing and caring for dogs of every size, breed, age and activity level – SHS is calling on the community to open their hearts and home to these dogs in need of loving homes.

Adopting a rescue dog is not only good for the heart, it is good for your pocket book too! For only $85 (plus $18 rabies vaccination fee) you will be adopting a dog that is current on his or her shots, spayed/neutered, microchipped, heartworm tested and up to date on preventative care. Executive Director Phil Snyder asks, “If you and your family are considering a new pet, please consider giving a shelter pet a second chance at life.”

You can view all pets that are up for adoption at Suncoast Humane Society by visiting them online at www.humane.org or stopping by their Englewood facility. They are open Tuesday through Friday, 11:00am-5:00pm and Saturdays, 10:00am-4:00pm.

For more information about the homeless pets available for adoption at your Suncoast Humane Society or to learn how you can support their mission to “reduce the number of homeless animals and improve the quality of life”, call 941-474-7884, visit www.humane.org or stop by the Adoption Center at 6781 San Casa Drive in Englewood.
Suncoast Humane Society has been serving animals and people since 1971. Founded as Englewood Animal Aid Society, the organization’s services and programs were soon challenged to meet the demands placed on them by the pet over-population crises. Expansions to their facility in Englewood during the 1980s and 1990s helped the Society to more effectively provide for a growing service area. To reflect the changes, the organization became Suncoast Humane Society. Today their service area includes Charlotte County, most of Sarasota County, and the Boca Grande portion of Lee County, a total of over 450 square miles.

Visit their adoptable pets and learn more about Suncoast Humane Society online at www.humane.org, in person at 6781 San Casa Drive, Englewood, FL 34224 or at one of our many community events!

Buster
This boisterous 37 pound boy is an adorable 1 ½ year old Catahoula Leopard Dog mix who would love to have a forever home with a big yard and a family who really wants to play! Buster has been with SHS for 10 months and before he spent too much time left by himself outside or in a garage. That was just no fun. The volunteer dog walkers here know how much he loves to play ball, and they even discovered that he can give a high five! Buster needs to be the only pet as he does not get along with small dogs and cats.
Butterscotch
An active girl, she is a 1 ½ year old hound mix with lots of personality. At 39 pounds of fun and adventure, she needs an active home to keep her busy with learning and playtime. She has been with SHS a few months so stop by, get to know her and start a new adventure together.

Fess
I am a young boy weighing 10 pounds. I can be very timid at first but am very sweet once I get to know you. I have lived with men, women, and kids as young as 6 and I was very nice to everyone! I love to go for car rides too. Come down to SHS and see me today!
