Suncoast Humane Society has been serving animals and people since 1971. Founded as Englewood Animal Aid Society, the organization’s services and programs were soon challenged to meet the demands placed on them by the pet over-population crises.

Expansions to their facility in Englewood during the 1980s and 1990s helped the Society to more effectively provide for a growing service area. To reflect the changes, the organization became Suncoast Humane Society. Today their service area includes Charlotte County, most of Sarasota County, and the Boca Grande portion of Lee County, a total of over 450 square miles.
