Cat Adoption Fees Reduced to $10 during National “Adopt-a-Cat Month”

To help celebrate Adopt a Cat Month, Suncoast Humane Society is offering special adoption fees through the end of June. Instead of the normal adoption fee of $85 plus $12 rabies vaccine fee, adoption fees for felines will be reduced to $10 plus $12 rabies vaccine fee.

Executive Director Phil Snyder states, “We are in that time of year when it seems to be raining cats and dogs again. This year, during the month of June, we have over 39 felines available for adoption, with another 78 being evaluated and prepared for their turn. If you and your family are considering a new pet, please give a shelter pet a second chance at life.”

You can view all pets that are up for adoption by visiting them online at www.humane.org or by stopping by their Englewood facility or any of their many local satellite adoption centers near you!

For more information about the homeless pets available for adoption at your Suncoast Humane Society or to learn how you can support their mission to “reduce the number of homeless animals and improve the quality of life”, call 941-474-7884, visit www.humane.org or stop by the Adoption Center at 6781 San Casa Drive in Englewood.

Suncoast Humane Society has been serving animals and people since 1971. Founded as Englewood Animal Aid Society, the organization’s services and programs were soon challenged
to meet the demands placed on them by the pet over-population crises.

Expansions to their facility in Englewood during the 1980s and 1990s helped the Society to more effectively provide for a growing service area. To reflect the changes, the organization became Suncoast Humane Society. Today their service area includes Charlotte County, most of Sarasota County, and the Boca Grande portion of Lee County, a total of over 450 square miles.
