FOR IMMEDIATE RELEASE

The Competition is Heating Up in This Year’s Pet Photo Contest for Suncoast Humane Society

Suncoast Humane Society announced their annual pet photo contest in June and the entries and votes have been rolling in! Competition is heating up as we head into the final four weeks of voting and it is hard to pick a favorite! Entries to the contest are used in their annual Pet Calendar with winners receiving coveted spots in the calendar itself. The photo contest and calendar are fundraisers for our local humane society, which cares for the homeless animals throughout Charlotte, southern Sarasota and Boca Grande region of Lee counties.

Entry to the contest requires a $25 donation but you receive a complimentary calendar with each entry! Photo entries can then be shared via Facebook, other social media and email to family and friends. Each vote earns $1.00 for the animals cared for by Suncoast Humane Society. A full description of the contest and entry rules is available on their website at www.humane.org.

Entries and votes can be made until August 31, 2016 with winners being announced in September. Among more than 70 entries so far, current contest leaders include: Peaches with 355 votes, Java with 190 votes, Harley with 140 votes and Samantha Rose with 125 votes. Contest entries can be viewed or made by visiting http://www.gogophotocontest.com/suncoasthumanesociety.

Advertising is available in the calendar and inquires can be made to the humane society at 941-474-7884 or info@humane.org.

Suncoast Humane Society has been serving animals and people since 1971. Founded as Englewood Animal Aid Society, the organization’s services and programs were soon challenged to meet the demands placed on them by the pet over-population crises.

Expansions to their facility in Englewood during the 1980s and 1990s helped the Society to more effectively provide for a growing service area. To reflect the changes, the organization became Suncoast Humane Society. Today their service area includes Charlotte County, most of Sarasota County, and the Boca Grande portion of Lee County, a total of over 450 square miles.
