10 Times the Love!
_Lifelong companions at Suncoast Humane Society ready to pounce into new loving homes._

Suncoast Humane Society is stepping into the New Year with a PURR-FECT feline adoption special – “10 Times the Love!” Now through Valentine’s Day Weekend, February 16th, 2019 prospective cat adopters will have the opportunity to adopt a furry feline friend for only $10. The purpose of the “10 Times the Love” adoption special is to find as many loving, forever homes as possible for the shelter’s overpopulation of cats.

Executive Director Phil Snyder states: “We currently have nearly 60 cats and kittens in need of good homes in our adoption cattery and 6 satellite adoption centers. In addition, there are nearly 50 awaiting their evaluated for adoption in the holding areas.” Operating one of Florida’s few “open admissions” shelters, Suncoast Humane Society never turns away an animal in need. This can often cause an influx of homeless and abandoned animals being turned in and cared for at the shelter. Snyder adds: “Pet overpopulation is a tragedy that puts stress on the animals, the staff and our aging facility.”

The “10 Times the Love” feline adoption special will give prospective adopters the ability to adopt a lifelong companion for a low price of $10, instead of the normal fee of $95 plus $20 rabies vaccine fee. The advantages to adopting a shelter cat go beyond this low adoption price. All adoptable cats at Suncoast Humane Society are ready and eager to go home. This means they are already spayed/neutered, up to date on vaccinations, tested for feline leukemia/AIDS, dewormed, and microchipped. They are truly ready to pounce into their new homes!

Suncoast Humane Society has served animals and people as a regional humane society since 1971. Operating one of Florida’s few “open admissions” animal shelters, no animal in need is ever turned away, regardless of health, temperament, breed or size. Reaching over 450 square miles and 11 communities, the organization’s services reach Charlotte and Sarasota counties, Boca Grande, and beyond. These programs and services are made possible solely by individual donations, wills and bequests and limited grants from foundations. No funding is received from national humane groups or local, state or federal government.
