We recommend that you establish a relationship with a private practice veterinary clinic as we only provide preventive care services.

Suncoast Humane Society's mission is to reduce the number of homeless animals and improve the quality of life. In 2014, we initiated a "No Birth" campaign. This campaign is aimed at aggressively promoting spay/neuter as the key to reducing euthanasia in animal shelters such as ours. We know spay/neuter prevents animals from being born just to become statistics in animal shelters. Help us control the pet population by having your pet spayed or neutered.

*Spay/Neuter = No Birth = Less Euthanasia

About Fido Fixers

Fido Fixers Inc. is a not-for-profit corporation that provides low cost spay and neuter services for dogs and cats in economically distressed areas. Fido Fixers Inc. will accomplish this mission by purchasing and making available surgical mobile veterinary clinics, such as Fido Fixers #7.

Currently, Fido Fixers has seven mobile spay and neuter clinics. In May 2019, Fido Fixers #7 was added to the "fleet", working with their new partner, Suncoast Humane Society servicing southwest Florida. To date over 50,000 surgeries have been performed by the Fido Fixers Fleet.
