Suncoast Humane Society Kicks Off “Clear the Shelters” Adoption Drive

The phrase, “It’s Raining Cats and Dogs,” was originally intended to describe a heavy downpour of rain. Right now, however, in addition to the rainy season, Suncoast Humane Society is experiencing a heavy downpour of cat and dog admissions.

Suncoast Humane Society currently has 80 canines and 65 felines waiting for new homes. There are also many bunnies, guinea pigs, ferrets and other small critters in their adoption room waiting to go to good homes. Many more will continue to be admitted as we never turn away an animal in need.

Open admissions shelters like Suncoast Humane Society always face the challenge of adopting out the many healthy animals they receive, large and small. It often takes weeks or even months before that special home appears. Right now, far too many pets are waiting for that second chance to be loved.

“Clear the Shelters” is a national adoption campaign that starts on August 17. “We can’t wait, these animals need homes and the time is now for us,” said Executive Director Phil Snyder. During the month of August Suncoast Humane Society is featuring special reduced adoption fees of just $10 for all cats and dogs. Please help them clear their shelter. Stop into their main Animal Adoption Center located at 6781 San Casa Drive, Englewood, Florida and meet all of the pets currently available. You can also visit adoptable cats at their 6 satellite adoption centers located inside Petco (Port Charlotte and North Venice) and Pet Supermarket (North Port, Venice, Englewood and South Venice.)

Suncoast Humane Society has served animals and people as a regional humane society since 1971. Operating one of Florida’s few “open admissions” animal shelters, no animal in need is ever turned away, regardless of health, temperament, breed, age or size. Reaching over 450 square miles and 11 communities, the organization’s services reach Charlotte and Sarasota counties, Boca Grande, and beyond. These programs and services are made possible solely by individual donations, wills and bequests and limited grants from foundations. No funding is received from national humane groups or local, state or federal government. To learn more, please visit humane.org.
