C.A.R.E. recognizes Suncoast Humane Society as Community Partner

Englewood, Florida – December 20, 2019: The Center for Abuse and Rape Emergencies (C.A.R.E.) presented Suncoast Humane Society with their Community Partner Award. C.A.R.E. is a non-profit agency that helps victims and survivors of domestic violence, sexual assault and other violent crimes. Suncoast Humane Society provides temporary foster homes for pets whose owners are being assisted by C.A.R.E. The humane society foster volunteers provide a safe haven for these pets until they can be reunited with their families.

Suncoast Humane Society has served animals and people as a regional humane society since 1971. Operating one of Florida’s few “open admissions” animal shelters, no animal in need is ever turned away, regardless of health, temperament, breed, age or size. Reaching over 450 square miles and 11 communities, the organization’s services reach Charlotte and Sarasota Counties, Boca Grande, and beyond. These programs and services are made possible solely by individual donations, wills and bequests, and limited grants from foundations. No funding is received from national or local humane groups, state or federal government. For more information about the organization, please contact Suncoast Humane Society at 941-474-7884, visit www.humane.org, or stop by their Animal Care Center at 6781 San Casa Drive, Englewood FL 34224.
