Preventive Health Care Clinic

Services & Price List

Suncoast Humane Society's Preventive Health Care Clinic offers affordable services to the public.

We assist people with caring for their pets, provide proper pet care education and help to reduce pet overpopulation. We recommend to establish a relationship with a private practice, or veterinary clinic as we are unable to offer regular veterinary services.

We strongly encourage spay & neuter.

CALL 941.474.7884 TO SCHEDULE AN APPOINTMENT
